The Infamous Carey Searchingly Examined by the Prisoner's Counsel,

And Compelled to Divulge His Part in the Plot and Treaty With the Crown.

The Dynamiters of England Again in Court and New Charges Preferred.

Special Dispatches to THE BEE.

IRELAND. CONTINUATION OF THE DUBLIN TRIAL, DUBLIN, April 12.-The trial of Joe Brandy, charged with murdering Cavendish and Burke, was resumed this morning. James Carey was again placed on the witness stand and crossexamined by the counsel for the de-fense, who elicited the information that when pletting the murder with the other accused men he was a member of a society which received the sacrament at stated periods. Carey also stated he was promised a pardon before he determined to give evidence against his follow conspirators. A ly discovered dynamite manufactory photograph was handed Carey which in Birmingham, and fithst Gallagher, the witness immediately identified as that of the man known as "Number 1." Carey was one of the prime movers in the murder of Burke but was under compulsion during the time directly preceding the event. Being closely interrogated by counsel on this point, Carey finally admitted he was not Carey finally admitted he was not march went to Euston square to live. under compulsion when he pointed the remained fourteen days, then on out Burke to the assassins and urged April 2nd went to Birmingham, saythe murderers to remember the man clad in a gray suit was Burke. Witness said, although he had for sixteen years been working for wages averag-ing only two pounds a week, he had, in 1882, ninety tenants occupying his various houses. Cunsel for defense brought out in sharp contrast to the points made by the crown, that Carey drove with his children to the description of the should take a package of intro-glycerine to the Southampton actors' fund, was a financial failure. The people seemed to take no inter est in it. The proceeds were only about \$100.

Chicago, April 12—The receipts of April he would return to his quarters at Euston square. He cid come back and at Euston square a man took the box brought by Norman containing some to the door of the church in Fitzharria' cab, on the 6th of May; that he was the first man to suggest daggers to be used and afterwards suggested the weapons with which the crime was committed should be put on exhibition as national relics. The answer of witness to questions concerning bags of nitro-glycerine and sent them at the place in Southampton street where the police subsequently made the arrests. Poland proposed to show promises of pardon were given with much hesitation. Finally he said he had been informed by Mallon, chief of the detectives, if hisevidence should that Norman and Wilson repeatedly communicated with Gallagher, known Poland intimated he would ask the be given freely to the state and be prisoners be remanded for a week! so confirmed by others, he and his brother would be pardoned. This he might become informed of the proceeding in other parts of the kingdom attenuent caused a sensation. The attenuent caused a sensation. The attenuent of Carey being called to the trifling details discovered lately regarding the movements of Firzherris cab in the park on the day of the which they are now arraigned to the movement and which had not been given statement caused a sensation. The
